

Zai - Me and u!

(Ugh, Dondo crazy)

Everything was going so well

Even if my heart gets expelled

As long as you're happy that's all that I want

Yeah, (oh, yeah) and it's true (and it's true, hoo-woah)

Oh, baby it's you (baby, show me)

Show me what we could do

Baby, I want you to know I love you (cuz' I want you baby)

Verse:

I want the world to know you gon' be mine

I'll give you everything, just give time

Just keep yo' head straight

And we'll blossom one day

You won't stay out of my head, girl

But, I know I gotta take it slow, oh-oh-oh-oh-oh

I just wanna do you right

I know this still new to you

But I wish I could've met you twice

Relive first time holding you, oh

(Girl) even when thĐµ night dim low

(You're my girl)

(Na-na-na-na-na-na)

Oh, you're my girl (oh, you're my girl)

Hook:

EvĐµrything was going so well

Even if my heart gets expelled

As long as you're happy that's all that I want

Yeah, (oh, yeah) and it's true (and it's true, hoo-woah)

Oh, baby it's you (baby, show me)
Show me what we could do
Baby, I want you to know I love you
