

Rafolino - Nobody Never Really Loved Me

**I've been alone all the time
Nobody called my number**

**I was left behind
They forgot me**

**Don't matter who I was
Don't matter who I am now**

**There's no relationship
For a person like me**

**I felt so alone
I do still alone**

**There is no a club to join
There's nothing to do**

**I can't change who I am
I am who I am**

I thought I could be so cool to attract who I want

**I've been dreaming of being loved
By somebody who I love
Nobody never noticed me
Nobody never really loved me
Love means nothing at all anymore to me**

I believe nobody else anymore in this life

**Everybody always ignored me
They never noticed me**

**Nobody never really loved me
Nobody
No, no**

**I've been waiting for a love
Like a girl waits for a prince**

**I've been waiting so much
For my happy ending**

**I've never felt a touch
I never felt a love**

**Nobody never loved me
Nobody never noticed me**

**I didn't see the light
The light they said is mine
Because I am not a pretty face to world**

**I've been so silent
Chained to exclusion**

**I thought I could be so cool
To attract who I want**

**I've been dreaming of being loved
By somebody who I love**

Nobody never noticed me

Nobody never really loved me

Love means nothing at all anymore to me

I believe nobody else anymore in this life

Everybody always ignored me

They never noticed me

Nobody never really loved me

Nobody

Never
