

Paula DeAnda - Marvin's Room

{Intro}

Whoa-oooh

(Yo, thanks for answering the phone last night)

(I guess you ain't gon' be there when I need you)

{Verse 1}

You say your text was a mistake

Must be drinking up late

'Cause its five o'clock in the morning

Damn I should've put my phone on vibrate

You saying that you miss me

You send a little video

I will not believe you

But I know you putting on a show

{Chorus}

Fuck that bullshit you were

Always on

I put my heart through it, boy

You know you're wrong

I said fuck that bullshit you can

Save me that

And when I'm not around you can

Play this track

{Post-Chorus}

Oh, I mean I'm just saying

I can do better

Better by myself than

When we were together

I'm just saying

I can do better
Oh baby, I'm the best
I can do better

{Interlude}

Oh-oh
Oh-oh
Oh-oh
Uh

{Verse 2}

People tell me you got new chick
(Haha) I just laugh it off
'Cause you're not even my boyfriend
No
Talking like I give a fuck, ha
No, not at all
I'll be best you never had, best you never had
I said

{Chorus}

Fuck that bullshit you were
Always on
I put my heart through it, boy
You know you're wrong
I said fuck that bullshit you can
Save me that
And when I'm not around you can
Play this track

{Post-Chorus}

Oh-oh, I mean I'm just saying
I can do better
Better by myself than

When we were together

I'm just saying

I can do better

Oh baby, I'm the best

I can do better

{Interlude}

Oh-oh

Oh-oh

Oh-oh

Oh

Oh-oh

Oh-oh

Oh, yeah

Oh-oh

{Chorus}

Fuck that bullshit you were

Always on

I'm not crazy 'bout you, boy

The love is gone (The love is gone)

I said fuck that bullshit you can

Save me that

And when I'm not around you can

Play this track

{Post-Chorus}

Oh-oh, I mean I'm just saying

I can do better

Better, better

Oh-oh

Oh-oh

Oh-oh

Ooh

{Outro}

Fuck that bullshit you were

Always on

I'm not crazy 'bout you, boy

The love is gone
