

Paula DeAnda - Breakup Tour

{Intro}

Oh

I'm still on my breakup tour

I'm still on my breakup tour

{Verse 1}

Hold up, wait a minute

I'm breaking you, breaking you in like my new heels

Baby boy, take a minute

Cause I'm already knowin' how ya feelin' on

So magnetic, so magnetic

I can't keep 'em off of me, tell me why they offer me

The moon, every color diamond, but it's too soon

Can't knock 'em though for trying

{Chorus}

I just need ti-i-ime, I'm still tryna heal

So, won't you paying this motherfucka's bills

I just need ti-i-ime, I'm relearning to breathe

It took too much for me, still recovering

Doctor's orders, hit the club, dance my ass off on the floor

Drop two bills on the makeup store, I'm still on my brÐµakup tour

I'm still on my breakup tour, yeah

I'm still, I'm still on my breakup tour

{Post-Chorus}

I'm still on my, I'm still on my

I'm still on my, I'm still on my brÐµakup tour

I'm still on my, I'm still on my

I'm still on my, I'm still on my breakup tour

{Verse 2}

I'm still enjoying this
Space I got from what's his name, damn, what's his name
Cried my ass off, yeah
And I'm not doing that again, let's just start this off as friends
So magnetic, so magnetic
I can't keep 'em off of me, tell me why they offer me
The moon, every color diamond, but it's too soon
Can't knock 'em though for trying

{Chorus}

I just need ti-i-ime, I'm still tryna heal
So, won't you paying this motherfucka's bills
I just need ti-i-ime, I'm relearning to breathe
It took too much for me, still recovering
Doctor's orders, hit the club, dance my ass off on the floor
Drop two bills on the makeup store, I'm still on my breakup tour
I'm still on my breakup tour, yeah
I'm still, I'm still on my breakup tour

{Post-Chorus}

I'm still on my, I'm still on my (I'm still on my)
I'm still on my, I'm still on my breakup tour (I'm still on my)
I'm still on my, I'm still on my
I'm still on my, I'm still on my breakup tour

{Refrain}

Not coming home till I'm ready, home till I'm ready (Coming home till I'm ready)
Not coming home till I'm ready, I'm still, I'm still on my (I'm still on my
breakup tour)
Not coming home till I'm ready, home till I'm ready (Coming home till I'm ready)
Not coming home till I'm ready, I'm still, I'm still on my breakup tour (I'
ll be on my breakup tour)

{Chorus}

I just need ti-i-ime, I'm still tryna heal
So, won't you paying this motherfucka's bills
I just need ti-i-ime, I'm relearning to breathe
It took too much for me, still recovering

Drop two bills on the makeup store, I'm still on my breakup tour
I'm still on my breakup tour, yeah
