

Paula DeAnda - Close to Close

{Verse 1}

(Oh) It's been a while since I've been this way

(Oh) You left your mark, hope it never fades

(Oh) But don't stop now, take me all the way

(Oh, this is close to close, this is close to close)

(Oh) They say love just isn't worth it

(Oh) I say you gotta put the work in

(Oh) That way you're always gonna get what you give

(This is close to close, this is close to close) You're this close

{Chorus}

So, stay right here and don't hold back

I'm into what you're doing, do it just like that

It's me and you, forget the whole world

Just do what you're doing because you're this close to close

{Interlude}

(This is close to close, this is close to close)

{Verse 2}

(Oh) So, don't stop now, take my breath away

(Oh) Don't let your heart try to play it safe

(Oh, this is close to close, this is close to close) And you're this close

(Oh) Last time love just wasn't working

(Oh) This time I plan to put to the work in

(Oh) That way I'm always gonna get what I give

(This is close to close, this is close to close) You're this close, oh

{Chorus}

So, stay right here and don't hold back

I'm into what you're doing, do it just like that

It's me and you, forget the whole world

**Just say what you're saying 'cause it's the best thing that I've heard
You don't know how far you've come
Negotiation's over, let's just get it done
So, stay with me and don't let go
Just do what you're doing because you're this close to close**

{Interlude}

(This is close to close, this is close to close)

{Bridge}

**(Oh) It's been a while since I've been this way
(Oh) You left your mark, hope it never fades
(Oh) But don't stop now, take me all the way
Into your heart, baby, don't stop me falling**

{Chorus}

**Stay right here and don't hold back
I'm into what you're doing, do it just like that
It's me and you, forget the whole world
Just say what you're saying 'cause it's the best thing that I've heard
You don't know how far you've come
Negotiation's over, let's just get it done
So, stay with me and don't let go
Just do what you're doing because you're this close to close**
