YNKEUMALICE - Amorcio

Intro

Love like amorcio
It's like money
It's Al things money
And finances
It's metaphor for love
In many ways I dedicate this
To the girls I shout out and some
Song be secretly for the tho

Love like money
Sweet like honey
Love like money
Sweet like honey

But love is love

Verse:

How you make love look easy
But mange it well like how tf
You be this way towards me
I how i fell in love with you
Your love with price and nothing
Nicе love ain't for free sometimes it
Is but struggling is kеy to love
You go broke or stay rich with love
How the heart be
Shout to ex's You have fame
I swear I wish you the best for ones
I showed love to to much to let go
Now I'm independent to dependent
How's Amorcio

How it goes around
How it comes back
Some cheat you outta love
Some are short of love
How love has a price
How love I Amorcio

Love like money
Sweet like honey
Love like money
Sweet like honey
