

YNKEUMALICE - Class schedule

How it be like school

How it be like school with you

How it be like school with you

Teach me love

Educate me with your

Teach me love

Educate me with your love

How it be like we school again

Teach me love

Educate me with your

Teach me love

Educate me with your love

How it be like we school again

How it be like school

How it be like school with you

How it be like school with you

Verse

How wĐµ have chemistry

Love likĐµ this

Baby your my everything

How we have chemistry

How it be different with you

How we bond

How we talk

How we spend

Our time

We have chemistry

How it be so psychical with you

Mixing up love
Love potions brewing
It's spell of love
How I want your love
Need your love
We like chemistry
How I can be an experiment
Test your love me
Show me that Chemistry
Just add me you like it's math
Your my equal
How I'm trying solve
You like an equation
How I'm
Geeking for love
Geeking for love
How we have history

How it be like school
How it be like school with you
How it be like school with you

Teach me love
Educate me with your
Teach me love
