**Darkside**

**Verse:**

**Another side to me that that I hide to well**

**I fell in love with the darkside**

**I been in my head in the gray Pitt**

**With the thoughts that are gray**

**Hope today is a better day then**

**Yesterday**

**Can't hide who I am**

**Can run from demons**

**Gotta Embrace em**

**Knowing my darkside**

**BDping friends with darkside**

**Ride through the night**

**Dark night**

**Heart cold**

**Drown out the world**

**Fuck around find me on**

**The darkside**

**I be with moonlight**

**Rip jah**

**You was one of kind**
