

YNKEUMALICE - Hate ainâ€™t cool

Intro

The verses

The time

The late rapper

Ynk Eumalice

Wanted

Long live YNK eumalice

Aka shiesty gremlin

Chorus

Always hate in life I hate it

Always hate in life I hated it

Always hate in life

I don't accept it

Always hate in life I hate it

Always hate in life

I don't accept it

Verse

We not so different

We not so different

We are equal members of society

Join the club it's free wherever the catch

Is everyone's is accepted

Don't look back I past the past

But it haunts me how the

World of hate they wanna see me dead

World of hate they wanna see me fall

How I fall in the end with no true friends

Unless I got friend the world to hateful

Preach my shit to the world

**How the world hates the truth
It be me In booth wisdom teeth
I speak speak of that
Don't hear no evil
Speak no evil
See no evil
If they judge me they judge you
It's hypercritical hypocrites
Laugh at what serious
How serious
Earth to gone
Earth gone hating
How the earth be hating
Wonder other planets tho
Chorus
Always hate in life I hate it
Always hate in life I hated it
Always hate in life
I don't accept it
Always hate in life I hate it
Always hate in life
I don't accept it**

Outro:

**Don't be these rappers be you always
Find yourself find your self**
