

YNKEUMALICE - Guns aren't fun

**Message to the youth don't do
School shootings they ain't cool
It makes you weak**

Verse :

Not cool

Not cool

Im too cool for that

Too cool for that

Why shoot

Why guns

Why do that

Is the question I have

How it hurts people

How it is not fun to lost people

Top gun violence

Silence on gun violence

Raise fist

High fight for your life to live

Against guns

Guns kill

Don't need guns

Hate my pass where

I was thinking violence

It's not cool

It's not cool

I'm way to cool For that

Outro :

Rip to the ones that

Lost their life to violence

Especially a gun

It's not cool guys

Knock it off
