

YNKEUMALICE - Horny hours

Intro

(Moaning) I'm so Horny , fuck me

Light some candles

Get you in the mood

It's horny hour

You know I be in mood for you

Just light some candles

Get you in the mood

It's horny hour

Verse

It's horny season girl where something

Sexy for me

When it's Horny hour secretly do the

Subliminal sex messages I like

Girl how you make me feel like

It's one of those times it's horny hour

How you make me feel in my moods

Fulfilling my moods

Your secrets safe with Me

Hoe face time me that horny shit

It's Sex on the phone

Late nights with you

How it be me and you

The flames are high Ik

Flames starting in your heart

How you freaky Ik

Where something to

Get me in the mood

I won't lie out some

Leggings or fishnets on
Show that see
Though when you come
Through For me
Ik it's horny hours
Baby take me in the shower
How you play with yourself for hours
How it be the thoughts of you and me
Play with yourself to us fucking
How he fucking horny hours
Light some candles
Get you in the mood
It's horny hour
You know I be in mood for you
Just light some candles
Get you in the mood
It's horny hour

Verse

Don't be late if
I say come over when
Need you and
It's horny hour no delays
Don't play no games
Ik feeling me I be feeling you
How it be me and you
For that freak shit
Are you down to fuck
Cause I'm ready for the ride
Imma touch your soul
Soul to soul
Imma be honest with you
Imma be honest with you

**I be needing some one like you
To please me to fuck when
It horny hours
Can't get you off my mind
Find you there all the time
How it be me and you
Light some candles
Get you in the mood
It's horny hour
You know I be in mood for you
Just light some candles
Get you in the mood
It's horny hour**
