

YNKEUMALICE - Repunzel

How I be different

How it be different

With you and I

I can't get out

Wanna get out

Verse

Escape from here repunzel put down

Your hair knowing your stuck you wanna up your hair to something else

Thinking about how

I'mma outta pocket rapper

Ik hate me for it i don't care

At all imma ball

Fuck em imma ball

Balling like this my season

Season greetings fall seasons

Need my money on time

Gotta count the times I was alone

I slump on drug I was slump up

To slump time to get the money

Get that paper

Get it back

Money Resilience

She wet like cruise ship

Imma go for the ride

She wet no bikini

I make her purr kitty cat

She chocolate kit cake snickers

Candy bowl that vanillalious

Have taste but too much sugar

Ain't good for me imma sweet tooth

Fill my teeth cavity no cap

How I be different

How it be different

With you and I

I can't get out

Wanna get out

How I be different

How it be different

With you and I

I can't get out

Wanna get out
