

## **YT - Pearls**

**{Intro}**

**Wait, this is crazy**

**{Verse}**

**Yeah, True hoodie brown like my (Uh, yeah)**

**True hoodie brown like my girl**

**If she stay down I might give her the (Uh)**

**If she stay down I might give her the world**

**One day I clocked that the world was my oyster and ever since then I've been stacking my pearls**

**She got the designer haul, when she trying it on send me vids and she give me a twirl**

**Kensington jawn and I- Oi**

**Kensington jawn and I caught her at Earl (Oi)**

**Kensington and I linked hĐµr on Brompton**

**I've got posh babes, I've got n\*\*\*as in Compton**

**I'm in LA and I'm shooting a Thompson**

**My music bĐµ touching kids, no Adam Johnson**

**A Level maths how I'm solving them problems**

**F(x) how I shut down the function**

**And just cause I rap she gon have her assumptions**

**Maharishi dragon don't know bout the dungeon**

**Walk in the party, the pack smelling pungent**

**If bro on the web then it's probably .onion**

**Who else is making this music in London?**

**Nah who else is making this music in England? (Oi)**

**Ain't loking for baddies, I'm the one who brings them**

**They're playing my tracks in the motive, its funny I don't think they know that I'm the one who sings em**
