

Key Notez - Happy You Found

Verse :

You're perfect

You're a queen

I was a dog

I know that

You loved me

Never showed you

So I owe you

And I wrote you a song

Pre chorus:

I'm sorry I was dumb

I'm sorry I was young

But i'm happy you found

The one for you

Chorus :

And I know you're not with me

But i'm happy for you yeah yeah

And I know you're not with me

But i'm happy you found one yeah

Oh oh oh oh oh

Oh oh oh oh oh

Yeah yeah yeah yeah

Yeah yeah yeah yeah

Verse:

You cheated too

But I understand

**It was all my fault
I drove you crazy
I'm sorry baby
I was twenty maybe
I've been thinking about you still almost daily**

Pre chorus:

**I'm sorry I was dumb
I'm sorry I was young
But I'm happy you found
The one for you**

Chorus :

**And I know you're not with me
But i'm happy for you yeah yeah
And I know you're not with me
But i'm happy you found one yeah
Oh oh oh oh oh (I'm happy for you)
Oh oh oh oh oh (I'm happy for you)
Yeah yeah yeah yeah (I'm happy for you)
Yeah yeah yeah yeah (I'm happy for you)**
