

Pureojuice - Gear 5 Luffy UK Drill

Killing me is not enough to kill me

My heart beat dididi dumdum didi

I lost 4 times i don't give a fvck imma spin back till i get dizzy

It really get sticky when i switch up gears and get busy

Monkey monkey make ops look silly

Mama mama got put in a pack dont cry imma send you to meet us swiftly

Why so serious ?

Use kaido for cardio made king and the beasts look ridiculous

Beefing wano then you beefing with us

Fu- fu- fvck what the government say i'm way too free too rebellious

The loss of reality do not apply to me i can do anything i'm limitless

I came a long way from "im so weak" now i'm saying you this is my peak

**Punch man in his face with this gomu gomu oh sh!t.. what should i call this
techniek**

What's the tic when i lost patrol ain't no resting for the ops to see

I told my hᄀpartbeat play that beat loudly and keep that sh!t on repᄀmat

Killing me is not enough to kill me

My heart beat dididi dumdum didi

I lost 4 times i don't give a fvck imma spin back till i get dizzy

It really get sticky when i switch up gears and get busy

Monkey monkey make ops look silly

Mama mama got put in a pack dont cry imma send you to meet us swiftly

He kept taking the hits why complicating make a bigger fist

He died cuz of pride or he would'v {?} dodged em jogem gonize the abyss {?}

The strongest creature known to a god my haki alone make the heavens split

**And now best day on the moon how i bend like this frightening he don't want n
one of this**

How i buzz always gonna bounce back cp0 died for nothing if that old witch

wasn't so fat oden would've put that fool in the coffin
Atleast he left him scarred {?} now shrinking sack it to hide his suffering {?}
If he really wanted to die should've jumped in the sea don't believe hie's
bluffing
