{Verse}

I know she know who I am so why she playin' dumb?

Damn, what happened to my haters, they ain't sayin' nun

Looking for my player 2, she know I'm player 1

Took her on a date but shawty rich so I ain't payin' nun

I know she know who I am, why she playin' dumb?

Know she follow me on gram, why she playin' dumb?

Man I know this girl a fan, why she playin' dumb?

N*as know that I get bands, why they playin' dumb?**
