

## **Alli Cazaam - Incantation**

**Incantation**

**Do you believe in miracles?**

**Incantation**

**It'll take you where you wanna go**

**Incantation**

**Do you believe in miracles?**

**Incantation**

**It'll take you where you wanna go**

**Headed down the dark and lonely highway of life  
A distant memory inside my mind made me smile again**

**Incantation**

**Do you believe in miracles?**

**Incantation**

**It'll take you where you wanna go**

**I guess that only words can say the way I feel inside  
Thoughts of you were lost in time but tonight they live again**

**Incantation**

**Do you believe in miracles?**

**Incantation**

**It'll take you where you wanna go**

**Incantation**

**Do you believe in miracles?**

**Incantation**

**It'll take you where you wanna go**

**I thought of you again**

**I thought of you again**
