

Alli Cazaam - See U Again!

I'll see U again!

You're always in my heart

I'll see U again!

This world is ever changing

I'll see U again!

Keep holding on my friend

I'm hopelessly lost without U

I'm hopelessly lost without U in my life

I'm hopelessly lost without your laugh, without your smile

I'll see U again!

You're always in my heart

I'll see U again!

This world is ever changing

I'll see U again!

Keep holding on my friend

I'm hopelessly lost without U

I'm hopelessly lost without U in my life

I'm hopelessly lost without your laugh, without your smile

I'll see U again!

Keep holding on my friend

I'll see U again!
