

## **Ä...zzie DÄ,th - Pressure**

{Ä...zzie DÄ,th}

Time is runnin out, i'm under pressure

Feelin so alone inside your sweatshirt

Darlin please just i need your patience

Outside in a memory I cried in a melody

That's when it all came to me

I don't wanna let you go, i don't wanna let you drown

{zarki}

I would say you hate me but I know that you love me

Put a shotgun to my head, pull the trigger, please

Do you trust me? do you wanna kill me?

I understand it baby, I also hate the new me

Late at night i be on a roll

I be on my own

Pop a percocet

All the things you said

Stuck in my hÐµad

I'm better off dead

Okay you'rÐµ a case, but i'm in love with you

{faidev}

Cause you're so damn pretty in a light dress

I'm takin light drugs, losing all my progress

Ask me if I hate you, but baby you really are the best

Take you like a picture, no i ain't playin pretend with you

Take you all over where you want to

And we dancin the night away, i want to

Hold you and stick here like some glue

See what i did this year? I met you too

Stuck in my head, i'm a sucker again

Thinkin bout â€œwas it all my friends?â€•

Cryin in bed when i better be resting

**Only thing i got more than this**

**I wanna go on adventures**
