

Ä...zzie DÄ,th - Teardrops

I'll wash away all your teardrops in the rain

I'll waste away my blade as it comes crashin down my veins

Not a perfect view

How i wish that i could fix what i did to you

It's a lie I wish I'd

Throw up

Throw up

Throw up

Oh, i'll hold your lonely soul

Darkness calls, i'll hold your hands, and run away

Red cross falls in broken fangs, won't look away

Oh, i'll hold your broken soul

Oh, so close, you're not alone

Oh, so cold, stay close, no you're not alone

No, you're not alone

No, you're not alone

No, won't let you go

No, you're not alone

No, you're not alone
