

Alli Cazaam - Need

Ok, Now listen really, really close cuz I'm only gonna say this once, ok?

I don't need flowers

I don't need the finest of chocolates

I don't need diamonds

All I need is u. (kiss)

I don't need promises

I don't need elegance

I don't need thoughtfulness

All I need is u. (kiss)

I don't need words of comfort

I don't need your sincere devotion

I don't need long walks at night

All I need is u. (kiss)

I don't need flowers

I don't need the finest of chocolates

I don't need diamonds

All I need is u. (kiss)

I don't need promises

I don't need elegance

I don't need thoughtfulness

All I need is u. (kiss)
