Artemas - if u think i'm pretty

{Pre-Chorus}
If you think I'm pretty, lay your hands on me
Know you can't stop thinking 'bout it
I know that you're shitty and you're bad for me
But I can't stop thinking 'bout it

{Chorus}
If you think I'm pretty, lay your hands on me
Know you can't stop thinking 'bout it
I know that you're shitty and you're bad for me
But I can't stop thinking 'bout it
(Hehehe)

{Verse}
Won't you give that shit a rest?
Said you needed love, but you're only here for sex, so
And I'm dyin' to be next
Killed me once before, I just come back more obsessed with you
Nothing that I need to say
That hasn't been said (You)
I don't need no apology
Just show me instead

{Pre-Chorus}
If you think I'm pretty, lay your hands on me
Know you can't stop thinking 'bout it
I know that you're shitty and you're bad for me
But I can't stop thinking 'bout it (Won't stop thinking 'bout it)
{Chorus}
If you think I'm pretty, lay your hands on me
Know you can't stop thinking 'bout it

I know that you're shitty and you'rĐµ bad for me
But I can't stop thinking 'bout it
