

## **FoxWithGuns - Iraq Lobster**

**{Pre-Chorus}**

**Hop out, drop in**

**Give 'em a show**

**Who's this lobster, God only knows**

**Move like water, Go with the flow**

**Nod and bopper, Already know**

**{Chorus}**

**Take me to a land from never before**

**Iraq Lobster should I dance even more?**

**Family Guy Funnies are all the rage, in the modern day**

**Try do disagree with me; Iraq Lobster, I will be**

**{Interlude 1; Peter Speech}**

**Ah, don't feel too bad Quagmire**

**Remember the last time you felt this bad and Iraq Lobster came in?**

**And boy, was he scary!**

**{Verse 1}**

**Hop out, drop in let's give 'em a show!**

**All the currents in my brain are moving kinda slow**

**You're speaking Arabic, and I can't understand the symbols**

**I'm just tryna groove, it really is about that simple**

**{Chorus}**

**Take me to a land from never before**

**Iraq Lobster should I dance even more?**

**Family Guy Funnies are all the rage, in the modern day**

**Try do disagree with me; Iraq Lobster, I will be**

**{Interlude 2; Lois & Cleveland}**

**Petah, there's an Iraq Lobster in our house now! (Iraq Lobster, Iraq Lobster)**

**And it looks like he's controlling you, Petah! (Iraq Lobster, Iraq Lobster)**

**My name is Cleveland Brown. (Iraq Lobster, Iraq Lobster)**

**{Pre-Chorus}**

**Hop out, drop in**

**Trying your best**

**Active warzone, bulletproof vest**

**Unique Lobster, not like the rest**

**Blast your IPod, be your own guest**

**Hop out, drop in**

**Digging a grave**

**Hide your likeness, Saddam Hussein**

**And when you see the light of day**

**Make sure they'll be shouting your name**

**Shouting your name. (x3)**

**{Chorus}**

**Take me to a land from never before**

**Iraq Lobster should I dance even more?**

**Family Guy Funnies are all the rage, in the modern day**

**Try do disagree with me; Iraq Lobster, I will be**

**{Outro}**

**Hop out, drop in**

**Give 'em a show**

**Who's this lobster, God only knows**

**Move like water, Go with the flow**

**Nod and bopper, Already know**
