

FoxWithGuns - Psychopath Minecraft

{Verse 1}

**I'm a psychopath in Minecraft
I'm killing cows, it's a bloodbath
And chickens too, it's a birdbath
I'm in the sky, there's an updraft
I'll build a boat, I'll build a raft
You told a joke and I didn't laugh
You'll feel my rage, you'll feel my warth
I'll grief your tower like an aircraft**

{Verse 2}

**Diamond stack, easily. Get that ore so breezily
Villagers ain't free from me. I'm on a boat like Sea of Thieves
Dual swords, on a roll. Quick math, honour roll
Coal mines take a toll. If you grief, then you're a troll**

{Chorus}

Psychopath Minecraft (x8)

{Verse 3}

**Chase the stacks
Murder the track
On my server, don't hack
Smokin' on that wack pack
X-ray and you DIE
Treaty, Versailles
Arrows will fly
Survive you can try**

{Verse 4}

**Well? Beats me!
This Minecraft server is the bee's knees**

I'm NOT crazy, I'm NOT diseased

I know he swapped those numbers and he will not fool me!

{Verse 5}

I go to the Wal-mart superstore

And then I go to Pizza Hut and then I gobble some more

But then I'm still hungry

So I make some s'mores

And then I sit down and watch some FNaF lore

{Chorus}

Psychopath Minecraft (x8)

{Bridge}

Well, well, well, well, well, well

Well, it's Rick and Morty time (x4)

{Outro}

Hey guys, Moist here

A psychopath played Minecraft and I fear they are near

They went to Wal-mart and then a pizzeria

And that's about it, see ya
