

Saber - HennyBoys w/ Ntate Smanga

Verse 1:

**I remember all the times, we would dream 'bout getting rich
Man, we still dreaming, still on the waiting list
Thinkin' 'bout bombing that G4s armored truck, always passing at the corner
, fuck the risks
But we been far away, from crime
Rather do our shit formally, this side
Cannot afford working that hard, and at the end of it all, I get forced bac
k of the line**

Interlude:

**I hope that my niggas make it, everybody living their dreams
Hope that we stay on the right path, nobody turns to a fiend
Expect that my niggas hit me up when they struggling; when they need a lift
Pray we still together, my dawg, when we finally getting that cheese**

Hook:

**Heh, san'
Your boys ain't got it, they gassed up
You fuckin with 'em boys, they West side
But I got dawgs in the East, in the North, in the South, and we bold on our
own, nigga no lie
K.Dot said it nigga, will be alright
Where we from, had to learn to sail tides
Had to work on my drip, learn to flow right
Saber got it, don't die**

Verse 2:

**I swear that my boys, ain't lacking with the style
Your boys just hating, your mamy won't deny
Niggas don't wanna see a black boy fly
Acting like they happy when you make it, that's a lie
R.I.P Shabba, we still rapping likewise**

**East still bleeding, don't believe it was your time
Celebrate the life, just forget the crime
Shit might happen the same, if they take your life
The judicial system ever so sexist
Different for a woman, if you a man, and you fucks with the law
All the charges stick on you like herpes
Something's gotta change, it's outlandish
I know niggas that grew up around crime, but they never chose it
Know niggas who are not bout that life, but look like crime syndicates
I know niggas who are 'bout that life, and I haven't seen 'em in days
I know niggas that be pushing that cheese life, and you know they got hits
on 'em
Cause they prolly just smashing your wifey
Licking that cat clean
Mamies love putting their tits on 'em
