

# **Anna Thompson - Mind**

**{Intro}**

**Mind, Mind, Mind Mind**

**{Verse 1}**

**If I let go**

**What I fear most is**

**You wouldn't like what you'd find**

**I keep it closed**

**It's claustrophobic**

**I can't let out what's inside**

**{Pre-Chorus}**

**Oh my fine**

**Spun**

**Protection**

**Is made of silk chiffon**

**Pull a thread**

**I'll come undone**

**{Chorus}**

**Fine**

**I'll let you into my mind**

**Show me yours**

**I'll show you mine**

**I'll let you into my**

**I'll let you into my mind**

**{Verse 2}**

**I'm obsessive**

**Can't stop checking**

**If this is how I should be**

**Are you scared**

Are you aware  
Of everything that's wrong with me  
Will you take it  
All in stride  
Can you withstand  
All the days  
I don't seem right

{Chorus}

Fine  
I'll let you into my mind (in my mind)  
Show me yours  
I'll show you mine (I'll show you mine)  
I'll let you into my mind  
I'll let you into my mind

{Outro}

Mind, Mind  
No, No  
Ah, Ah  
Fine
