

Logy1 - Takeoff

{chorus}

**Take off, how does the tower make it drip
How do commas appear in the money list
Smoking in the clouds but i fell in the whip
Instrument in this life that i got in minutes**

Pray to god, believe in god. process what i did. (yeah)

See my riot, on the spot. see how i lit. (yeah)

Pray to god, believe in god. process what i did. (yeah)

See my riot, on the spot. see how i lit. (yeah)

{verse 1}

He can lil hoes out bad i'm goin' slow yeah

They don't how to spend all my money, see yeah

Fuck all my past hiding behind me yeah

Credit score without my emphasis yeah

Look my dawg, look at my diss. watch bDµauties and beasts

I see can shoot it at this. i got tupac on my list

Blue facDµ, new taste. got a block in a new cage

New place, new base, unlock in new age

{chorus}

Take off, how does the tower make it drip

How do commas appear in the money list

Smoking in the clouds but i fell in the whip

Instrument in this life that i got in minutes

Pray to god, believe in god. process what i did. (yeah)

See my riot, on the spot. see how i lit. (yeah)

Pray to god, believe in god. process what i did. (yeah)

See my riot, on the spot. see how i lit. (yeah)

{verse 2}

**I know they wanna be me but let's go home
Wanna know my moves, maybe get a check, come on
I bought a big house for my family to stay at home
She actin like ain't working but i moved on**

**I know i'm alone because i came with fire lungs on my back
Stay positive with scary language in all my raps
Well wake up we have to get billions of brand new bags
Falling in the grave causes all demons to stand in a new trap**

{chorus}

**Take off, how does the tower make it drip
How do commas appear in the money list
Smoking in the clouds but i fell in the whip
Instrument in this life that i got in minutes**

**Pray to god, believe in god. process what i did. (yeah)
See my riot, on the spot. see how i lit. (yeah)
Pray to god, believe in god. process what i did. (yeah)
See my riot, on the spot. see how i lit. (yeah)**
