

Key Notez - Girl Your Mine

Girl, you're mine

Can't nobody love you better, no

Girl, you're mine

Yes, I'm gonna do what you want to do

Girl, you're mine

Nobody's gonna love you like me

Anything you need, girl, just ask and I'll give

You wanna go on vacation, go have fun, go live

I'll never go in your phone cause I know I'm him

I know I'm him

I will hold you tight

Kiss you goodnight

Love you right

I know I will

Girl, you're mine

Can't nobody love you better, no

And girl, you're mine
