

Cari Cari - Zdarlight 1992

{VERSE 1}

**Just by the way she moves
She probably loves all my favorite records
Take a look at her shoes
She probably sends handwritten letters**

**Met a pretty girl with a head of pretty curls
Puts on all her moves, watch her from across the room
She had a pinstriped shirt, she's a little introvert
White patent leather shoes, just the right attitude**

{Chorus}

**(Aaah na-na-na-na)
I hope that girl is cool
(Aaah na-na-na-na)
God, I hope she's cool**

{VERSE 2}

**A late-noughties muse
She wants to brÐµak my heart and I'll just let her
I'm dazÐµd and confused
There's nothing here to let me forget her**

**I summon all my strength, ask her if she wants to dance
She slowly turns around, but stops when she hears that sound
I shiver, what a sin, when I hear the Dj spin
But it's her favorite song and she starts to sing**

{Chorus}

**(Aaah na-na-na-na)
I hope that girl is cool
(Aaah na-na-na-na)**

God, I hope she's cool
(Aaah na-na-na-na)
Why can't you be cool?
(Aaah na-na-na-na)
And me, I'm such a fool

(Aaah na-na-na-na)
I hope that girl is cool
(Aaah na-na-na-na)
God, I hope she's cool
(Aaah na-na-na-na)
Why can't you be cool?
(Aaah na-na-na-na)
And me, I'm such a fool
