

BIG Cofe - Bandtalk

{chorus : big cofe}

Band talk switch the plug

Speaking binary, counting benjamins

Think i saw a hunnid leadin' six os

You made returns, i make tenfolds

Plot, niggas on the plot plottin'

My sacks full ready for another season

401k butter in the fridge when my legs are three

How i feel? bitch i'm feeling free

They ain't try me 'cause they ain't see where they could try me

I'm too strange and i feel like a hero

I put y'all niggas hate on a cheque like a bunch of zeroes

Bunch of niÅ±os, soft culos

{verse 1: stunkid}

Me ne me nuanom mmiensa, ah

Baako fom a yenka, ah

Kwaku apreno ho aprenoho a loose

Kyerese obra nye amirika, ah

{verse 2: big cofe}

Bluffin' on the hunnid mill

Where they at? make believe i might pay a bill

Got your girl working for me

I'm sorry that's how i make you feel

I ain't never been at home

Sorry i can never call this place a home, i feel alone

Niggas treat me like we playing cards

Poker faces this ain't no love

Playing cards is what y'all been about
