

Slmp Kay - Nightmare

Intro:

Waking up for a nightmare , oh

Chorus:

**I waking up for a nightmare , pictures in my head , im afraid to be without
you girl**

**I waking up for a nightmare , pictures in my head , im afraid to be without
you girl**

**I waking up for a nightmare , pictures in my head , im afraid to be without
you girl**

Verse 1:

**My heart is tearin'ng,please dont fuckin'up, cuz i feel empty without you ,
the past is chasing me, these drugs are for me, you are the best of my lif
e, i can't whitout you, i can't not breathe,my essence is or you
These drugs are killing me**

Verse 2:

**I dont know when my timĐµ will come, i can't hurt get out, i hurt you bae, i
hatĐµ when the time must the end of the game aye must the end of the game,
must the end of the game**

Chorus:

**I waking up for a nightmare , pictures in my head , im afraid to be without
you girl**

**I waking up for a nightmare , pictures in my head , im afraid to be without
you girl**

Bridge:

I waking up for a nightmare

I waking up for a nightmare, girl

I waking up for a nightmare
