

# MaGyverMIRE - SHOULD I TRAVEL TO TOKYO NEXT? IDK

{Hook}

Sometimes I lie to sacrifice time  
Karma is catching you, my guy  
J5 with the competition  
No suspension, I never fumble blood ahh  
Right now where I'm at  
It's like you having a conversation with God  
Shawty with a perky ass  
I'm lustful  
Please forgive me, Jesus Christ

{Verse 1}

When kingdoms come  
Sometimes you gotta move my guy  
No waiting for any more time  
Don't be surprised I'm selling outside  
On my side  
I'm dedicated that's right  
Pussy ass nigga clowning  
He is wasting time  
He watching me  
I'm winning alright  
Jealous and envy may lead to dĐµath  
The competition turned you into Judas, blood  
RĐµconcile if you pushed me into blood  
I take time to let it go, my guy  
Jesus Christ warning you my guy  
Better times, better days my guy  
I watch my life taking flight my guy  
Live your life, I can't stress my guy  
Disney is the matrix
