

Fall Out Boy - Colorado Song

Staying up for a 20 hour drive
Alone in the back of my mind

Maybe tonight she'll be {?}
Where we left {?} around
Oh, I {?}

Oh, whoa

Oh, did you {?} away?
Hey, did you {?} away?

Maybe tonight she'll be {?}
Where we left {?} around

Oh, did you {?} away?
Hey, did you {?} away?
Oh, did you {?} away?
Hey, did you {?} away?

Hey, hey

Hey, did you {?} away?
Hey, did you {?} away?
