

Key Notez - 2 Sides

Two sides to every story

Hmmm Yeah

Aww Yeah

Two sides to every story

No love, so I had to do me

But I'm the bad guy

I'm the sad guy

But I'm the man, so I understand

I'll take the blame, but I got a plan

I saw your boy on LinkedIn

He drives an all-black Lincoln

He has a wife and two children

But you didn't tell nobody that

Accountability is not yo friend

Bitch, I saw you cheating before what I did

I saw you at the movies with that nigga and his kids

I tried to be nice, but you fuckin' with a boss

I might get the nigga hit when he's playing golf

When he's playing golf

When he's playing golf
