

Joseph Pod - Visionary

{chrous 1: joseph pod}

Told brodie i'm a visionary he don't see the vision
I work for what i want, i light just like a fire ignition
Told â€em that i'm a supercharger and i stand by that
I'm that nigga they all doubted and they don't even like that, (nah, nah)

{chrous 2: joseph pod}

Told brodie i'm a visionary he don't see the vision

{verse: joseph pod}

4 to 5 on my side ion even like that
Told bro and he just tryna fight back
I tell you wait, wait
Why them boys wanna hop on me when i'm killin' my thing
Put the word out that jp is back and now they wanna envy, (huh), that's interesting
They gave me some space but that don't mean anything
I'm a visionary, doing history making, and it's a fact
Jp is the greatest in the welly scene
I stand on that

{bridge: joseph pod}

Don't wanna fall into your arms again
Don't wanna fall into the traps
I'm a visionary
(yes sir)
I'm a visionary
(yeah, yeah)
