{Verse: Joseph Pod}

Gal told me I'm a lil different but she ran with another mission

I said okay that's fine

But just you watch imma teach u a lesson

Ring a ding ding

That's what I heard the next day

She saw me on the headlines and said (hey babĐμ)

Nah, nah we don't roll like that  
Nah, nah she don't fumbled the bag  
Yuh, yuh I'm living my best life  
With the boys and in saying dat  
I swear to God I'm a visionary with a dream  
Lil fan girls they just can't see  
What I'm destined to be  
The glazing will come handy  
In the next life  
The main bunch  
They gon' see greatness so much  
Only a matter of time before this earth is crushed  
And imma be here  
Standing 6 feet tall  
With a crown over my head saying the king of all, nah
