

## **DaVan Official - TRUE**

**It's a good day, it's a good day**

**I was sitting outside on a sunny day  
Looked to my right, i saw you coming my way  
No other perfect moment, i'd say  
Guess i gotta see if you wanna stay  
Hello, how are you?  
I'm doing great, i hope you are too  
I was alone, but somehow i got through  
Wanna know my name, i'll give you a clue**

**I'm a man with a bright future  
Got a few features that might suit you  
Made some mistakes, i'm only human  
But there's only one thing i wanna say to you  
I'm so glad i met you  
You know that it's true  
When you're by my side  
I got nothing to lose**

**It's a good day**
