

SharkPup - SharkPup Supremacy

SharkPup Supremacy

My brain is raw

So fucked up

My brain is raw

So fucked up

My brain is raw

So fucked up

SharkPup Supremacy

Fuck

Hate you, hate me, I love

Acid is burning my nails

Bopping to you

SharkPup Supremacy, we all love you

My brain is raw

So fucked up

My brain is raw

So fucked up

My brain is raw

So fucked up

Don't worry about me I'm just, yuuuuuuuuuuuuuh

Headphones don't work no more

Guess I'll just have to bop with everyone

So fucked up so I have to make a social excuse, yuuuuuuuuuuuuuh

My brain is raw

So fucked up

My brain is raw

So fucked up

My brain is raw

So fucked up

Yuh

Yuuuuuuuuuuuuuuuh

Yuh

SharkPup Supremacy on top!
