I've only got one chance, i'm making it big
There's nothing else for me to be
We pulled up in two cars, suburban and g-wagon
Blacked out suvs (oi!)
And i've got three jawns, {?}
Can't believe all of these tens on me
My brothers a 4 {?}, got dropped by our label
Just did a mill with my tunes

{verse 2}

This {?}, might just get her a satch
Too lit, we turn the function to ash

{chorus}

I've only got one chance, i'm making it big
There's nothing else for me to be
We pulled up in two cars, suburban and g-wagon
Blacked out suvs
And i've got three jawns, {?}
Can't believe all of these tens on me
My brothers a 4 {?}, got dropped by our label

Just did a mill with my tunes
