

# **Kuh Ledesma - The Lady Is A Tramp**

**{Verse 1}**

**I get too hungry for dinner at eight  
I love the theater, but I never go late  
I never bother with neurotics I hate  
That is why this lady is a tramp**

**{Verse 2}**

**I never go to crap games with barons or earls  
I never dish the dirt like the rest of the girls  
I never go to Harlem to spoil my ermine and pearls  
That is why this lady is a tramp**

**{Verse 3}**

**I love the free, fresh wind in my hair  
My life's without care, I am broke, but it's okay  
In California, baby, it's smoggy, corny, and damp  
That is why this lady is a tramp**

**{Interlude}**

**{Verse 3}**

**I love the free, fresh wind in my hair  
My life's without care, I am broke, but it's okay  
In California, baby, it's smoggy, corny and damp  
That is why this lady is  
That is why this lady is  
That is why this lady is a tramp**

**{Outro}**
