

Kuh Ledesma - You'll Never Know

{Verse}

You'll never know just how much I miss you

You'll never know just how much I care

And if I tried, I still couldn't hide my love for you

You ought to know for haven't I told you so

A million or more times

{Chorus}

You went away, and my heart went with you

I speak your name in my every prayer

If there is some other way to prove that I love you

I swear, I don't know how

You'll never know if you don't know now

You went away, and my heart went with you

I speak your name in my every prayer

If there is some other way to prove that I love you

I swear, I don't know how

You'll never know if you don't know now
