

YUNGBLUD - When We Die

{Verse 1: YUNGBLUD}

**Does Heaven have a dealer? Do they sell the love for cheaper than in Hollywood?
As hell is gettin' colder, I don't plan on gettin' older in this neighbourhood
I've seen the sunset rise through dilated eyes, but I can't keep this goin'
So when the sunrise sets and the beat has left my chest, oh, I think it's worth knowin'**

{Chorus: YUNGBLUD}

**When we die, tell me, can we still get high?
When we die, tell me, can we still get high?**

{Instrumental Post-Chorus}

{Verse 2: Lil Yachty & YUNGBLUD}

**If you fall far too deep
Lose yourself in your new life
Head over heels for your new eyes
Let's name change, you're a new wife
I wanna know, do you still keep your promises
And make your time for me?
I have a prophecy, yeah I think you're immortal, oh
Hey, hey, it's a sight to see
When you come back to me, I won't hold it over your head
To escape the realities**

{Bridge: Lil Yachty & YUNGBLUD}

**Come and do drugs with me (Ah, ah-ah, ah-ah)
Come and do drugs with me (Ah-ah-ah, ah-ah-ah, can we still get high?)
Come and do drugs with me (Ah, ah-ah, ah-ah, can we still get high?)
Hey, hey (Ah-ah-ah, ah-ah-ah)
Can we still get high? (Ah, ah-ah, ah-ah, ooh, ooh, ooh)**

Can we still get high? (Ah-ah-ah, ah-ah-ah)

Can we still get high? (Ah, ah-ah, ah-ah)

Can we still get high? (Ah-ah-ah, ah-ah-ah)

Yeah

Mm

Ah

{Chorus: YUNGBLUD, YUNGBLUD & Lil Yachty}

When we die, tell me, can we still get high?

When we die, tell me, can we still get high?
