

Foxfredito - Cursed

**Wow it's pitch black
All that I can see Is a spotlight on my face
I don't know what's lacking in the dark
I can hear my name all around
Feeling like I'm watched I
Oh I don't know what to do
All I see Is a face a scary smile
It's been lucking in my dreams
It's feeling real
Cause it never goes away
I hate this feeling I can hear them sing**

(Hmmm)

**So please just go away away away away
I'm trying to find that peace
But still just can't manage to get
Backed in a corner sobbing boohooohoo
They humming to my tune like hmhmhmhm**

**Tears rolling down from my eyes I cry
I feel like I'm not worth it I feel like I just wanna die
Before I'm gone just
Take my hand & don't let go
Lift my spirit out of love
I can't take the pain anymore
So please let go
(Hmmm)**

**So please just go away away away away
I'm trying to find that peace**

**But still just can't manage to get
Backed in a corner sobbing boohooohoo
They humming to my tune like hmhmhmhm**

**Take my hand & don't let go
Lift my spirit out of love
I can't take the pain
Anymore**

**So please just go away away away away
I'm trying to find that peace
But still just can't manage to get
Backed in a corner sobbing boohooohoo
They humming to my tune like hmhmhmhm**

**So please just go away away away away
I'm trying to find that peace
But still just can't manage to get
Backed in a corner**
