{verse 2}

I got money like i invested up in stocks (stocks)
This weed sticky like some glue, like it {?}
I mix yellow with the orange, sippin' moxy (moxy)
And i think i might just die, i took an oxy (oxy)
Yeah, watch this (watch this)
I got options (options)

Don't act cocky (cocky)
Or i'ma cock it (cock it)
Told her pop it, lock it, fuckin' drop it
What's up in my pocket? it's a rocket
I can't turn the switch off that bitch, i can't lock it
Got that lilo stitch, got a stick and a glock, bitch
That ho, she a talker
That boy, he got nothin' to offer
Play 'round, and we fuckin' off ya
I'm with my mob, i'm with my mafia
Fuck the crime stoppers
This real life, not cops and robbers
I got rich on me, then lost it
Left yo' brain leakin', they gon' have to mop it
I feel like i'm whoppa wit da choppa, way i pop it
{outro}
(way i pop, bitch)
(way i pop, okay)
(way i pop it)
(i feel like i'm whoppa wit da choppa, way i pop it, okay)
