

## **Key Notez - Toxic Traits**

**You told me you would love me  
But you didn't girl  
And that's ok cus I will walk away  
Some of you need to learn that skill today  
Cus when its toxic  
You must run away  
Run away walk away run away  
Run away walk away run away  
You don't have to love  
What don't love you  
Its true its true  
You don't have to  
What you don't want to  
Its true its true  
You must be yourself always  
Don't let anybody bring you down  
Bring you down bring you down  
Don't let that toxic bring you down  
Don't let that toxic bring you down  
Don't let that toxic bring you down  
Don't let that toxic bring you down nooo  
Ya toxic traits really tried to kill my faith  
But god made me feel like I am worth today  
Ya toxic traits really tried to kill my faith  
But god made me feel like I am worth today  
Today todayyy  
Aye eww**
