

Jakprogresso - Kuku Sabzi

Judge Dredd (1995) Intro:

**The Earth transformed into a poisonous, scorched desert, known as the Curse
d Earth, millions of people crowded into a few megacities, where roving ban
ds of street savages created violence, the justice system could not control
. Law, as we know it, collapsed**

**Ayo, it's the man who is plugged in, yeah, I got the spice for the DMT tote
inside of pumps, the Zygmunt speaker for the dead is I, Flotsam and Jetsam
, like styrofoam, bring thĐµ sledgehammer on mĐµtatertextuals, what, yo**

Verse 1:

**Zuper Lucifer go from super to weird
Middle finger up (fuck you) cursin' authority like Tooka's veneers
It's called soot for the ears, cooped up for years
Consume space transmissions and puke up the gears
I'm cookin' oils, no bullet towards you (Nah)
I'm tryin' to drag your body out the lake before the cops were pullin' for
you (Come on, man)
My head X-ray look like the koi o' the Earth
More bars form in a verse than mushroom spores in the dirt
The practice will starve you like Indian mystics fastin'
Wigs get bashed in
I'm buildin' shippin' caskets, this is that shit (What)
Like it break a cadaver back in, bend it to fit it half in
A mad dough, I'm pullin' the stick from the mud
Cop my shit, bro (bro), you get a pure brick for a buck (Brick for a buck)
These pitiful bars (What)
My delusions physical formed
Took shape in a clinical ward (Ahh)**

Verse 2:

**I'm either highly creative, or fantastical
Saw heads off, sippin' a glass of wine listenin' to Classical
Dead inside, casket full, gassed awhole
Church, lit a match then go, a mass occult
Scars get inked, no gimmicks
I am my art, I think I'm Barton Fink, MC's is arson ink
Smartest chimp, just turn up lit
Monte Cristo, papi sicko
Robot, dodgy sin coats
Dress got my sick though
About to start, playin' a shotgun, zombie bingo
My bio says "serial killer", from a comment (Hi)
But I'm more like, Doctor Strange ridin' a bomb in (Yeah!)
Mutant cut soupin' up miso ramen
No need for concepts, this a Kuku Sabzi omelette
Of bars and vomit (Uhhh!)**
