

MaGyverMIRE - UP

{hook}

Now i'm going up up
Diamonds feeling like ice tea
Now i leveled up
You below me
Now you see you stuck up
Now i feel like pablo
Now i leveled up

{verse 1}

I'm like dusan tadic of my age
I cannot fall, i'm on the edge
Cannot fail, it's not my aid
People cannot rain on me
Sometimes i think of my time
Jesus christ, he gave me breath
Like mimi stallion, she's curvy ayyy
Baby i can't stroke your ego
Cause you fucken killed my ego
It's baywatch, i cannot fear
I see my light shinning bright
People live in pride, mcknight
Crucifixion, i'm in sight
My d so hard, shawty sucked
Dx life is on my blood
Like gang-gang
Why are you living like rochelle?
I'm living like bobby lashley
Getting a girl is heartless
The paycheck is like my revenue
I talk to god, my hero

He keep giving me them zeros

Now i'm feeling like zorro

{hook}
