

## **ericdoa - phases**

### **Lyrics from Snippet**

#### **{Intro}**

**(I know, I don't ever, oh-ah, ooh-ooh)**

**(No, I don't ever, oh-ah, oh-oh-woah)**

#### **{Verse 1}**

**Yeah, I've been going through phases (Oh-woah)**

**I know damn well you afraid of me changing (Ayy)**

**What you want, baby? We can make arrangements**

**Share location, tell me where you staying**

**Work from nine to five, hate your social life**

**Won't act civilized**

#### **{Chorus}**

**So please don't talk to me (Talk to me)**

**I wish you would tell me what you want from me (Want from me)**

**I've never been good with keeping honesty (Honesty)**

**Yeah, there's no way that I'll do better**

**You know that it's only mĐµ**

**Won't give it to just whoever**

#### **{Verse 2}**

**Baby, do I cross your mind whĐµn you been out all night?**

**You introduced me as a "friend of mine", we both know that's a lie**

**Screamin' like I can't hear you, baby**

**The type of shit that gon' drive you crazy**

**And I don't really think about you lately**

**I never wanna be near you, baby**

#### **{Bridge}**

**Is it white lies that I told? Yeah, I might have**

**Baby, you light my life like a lighter  
Playing with you like playing with fire  
But I love stayin' warm right beside ya**

**...**
