When you walk in they all say
Ûšøøø ø³Û,,øšÛ...
Know they had a little buzz, but it came and went
They waiting for the light, but it rained again
But baby you a star you ain't thĐµ same as them

Could care less what your friends say
Only care what the benz say
Cut 'em off they was dead weight
'Cause you tryna make headway
And they can't stand the come up
So they dealing with the agony
We flying Paris to Milan for the fashion week
Show up late everywhere, claim it's fashionably
'Cause baby you a star so casually
Yeah, yeah
