

# MaGyverMIRE - É;ÃærdÄ“É™n mal&#39;Ä•kh

{Verse}

Yeah it's not the same  
Things always change  
How many times you go run away?  
Yeah I fear my sins  
How many times you go fuck yourself?  
Yeah my life is well  
I stayed up, G'd up  
You could be fearing  
Man, I fear no man  
Except Jesus Christ  
I'm moving with Christ, I dodge my Opps  
How many times I got ran by an Opp?  
I'm so destined, I see my life  
I could be here but in Mozambique  
Chilling with babe, she's a counterfeit  
Y'all got me moving like Mushasi  
Drop top, I'm finna meet my Ms ahhh

{Hook}
